We invite you to join us for this private event on Thursday, June 22nd at the CSA Farm.

In our Farm to Table Cocktail Class, our expert bartender will guide the class through the process of crafting three unique summer drinks. During this hands-on lesson, using some fresh ingredients from the farm, students will learn to muddle and infuse ingredients they can grow in their very own backyards. Participants will leave with recipes and gifts to dazzle their own guests at home.
