

BAYARD CUTTING ARBORETUM

Forest School: Holiday Helpers

Join us this **Holiday Season** for a **6-week series** in which we will explore the arboretum collecting items to create very special arts and crafts projects. This program includes both *indoor and outdoor portions*.

In this program caregivers can expect their children to *practice newly emerging motor skills, develop social skills through both imaginative and cooperative play, and foster a deeper sense of connection to nature and the changing seasons.*

This class is best intended for **ages 2-7** and is **rain or shine**. Caregivers are required to remain with children for the duration of the class. It is always wise to dress for a mess!

Dates:

❖ Thursdays 11/6, 11/13, 11/20, 12/4, 12/11, 12/18 @ 9:30AM- 10:30 AM
